Interested in taking part in the main program of the inaugural edition of BOOM Summit? You are at the right place! All the important details are below.

[SUBMISSION PROCESS CLOSED](#)

Submission deadline: 1 October 2023

Notifications regarding the status of the received applications were sent on 23 October. All applicants have been contacted accordingly.

GENERAL INFORMATION:

Participants interested in presenting at BOOM Summit 2024 main program are welcome to fill in our submission form. All applications will be made available for careful perusal by our Review Committee and may be accepted or rejected. Kindly note that the speaking slots are very limited and only the submissions that fit the scope of the summit best will be accepted.

Please be aware that depending on the type/topic of the session, participation may include a presentation or may be limited to participation in a panel discussion.

We accept submissions from everyone who is interested in presenting. However, **any submission from an industry representative will be subject to payment**. More information about industry talks can be found [here](#). Please note that industry submissions will still undergo a review and will be accepted only if they check all the boxes.

Accepted speakers must be registered participants. If your

application is accepted, you will receive an email confirmation, and a deadline to finalize your registration. BOOM Summit 2024 will not be covering accommodation and travel.
